TAC MARION VICTIMS

Two of Greenwood Building
Critically Hurt on Way
To Home.

Two children, two 4 years of
age, were the victims
of accidents in Marion and
Columbus and today
Joan Ruth Lease, 5,
was critically hurt almost
as much when she was struck
by a school bus last night; and
Louise Connell, 5, was critically injured
when she was run over by an
automobile this morning on her
way home to lunch. The other
child, Jimmy Caseria, 7, of Marion,
suffered minor cuts and
bruises when he was struck by an
automobile last night on West

School Girl
Critically Hurt

On her way home from school for
the second time this morning, Louise Connell,
daughter of G. Clayton Connell
of North State street, was
critically injured when she was
run over by an automobile driven by
the Wolfinger of the Wolfinger
team.

The accident occurred at Center
and Greenwood street as the child
and a companion were crossing Center
street. The Wolfinger automobile
was traveling west.

Andy Manley of Davids street, a
witness, told police that he heard
the impact when the car hit the
child and that when he turned, he
saw the front and rear wheels of
the car pass over the child's body.
He picked her up and
placed her on the curb.

Louise, a first grade pupil at the
Greenwood Street school, was too
badly injured to be X-rayed at the
hospital where she was taken
as a driver of a car which passed
as one of the accident.

Hospital attaches said her
condition was grave. Her head and
elbows were seriously injured, her
elbow was believed fractured,
and it was thought that an X-ray
examination would disclose severe
soft tissue injuries.

Mr. Ray Lodwig of 203 North
State avenue who was with her
when Mr. Wolfinger, when the
accident occurred, jumped from
the car and was bruised about
the shoulder and head when she tripped
and fell against the car.

Mr. Wolfinger drove to the police
station and reported the accident.
He was not held, but police were
taking a more thorough investigation
of the accident this afternoon.

Galion School
Girl Is Killed

Special to The Star
GALION, O., Nov. 1—Joan Ruth
Lease, 5, was fatally injured yes-
terday afternoon when she stepped
into a school bus into the path of a
racing automobile in front of her
home, two and one-half miles
west of Galion on the Bucyrus road.
She died a few minutes later in
the Samaritan hospital, where
she was taken by a Bucyrus motor-

car.
Her brother, Elwood, 8, who
was walking with his sister, hand-
ed her when the accident occurred
and they had left the front of
the bus, parked on the south side
of the road headed east, and had
climbed to the back of the bus to cross
the road.

Fails To See Car
As Joan and her brother started
across the road, she apparently
failed to see an automobile, going
down the north side, driven by
J. Kallil of Ashtabula. Joan was
about 100 feet from the impact, witness
said. Her brother was
knocked by the fender of the car
as it passed him, but was not in-
jured.

The automobile driven by Kallil
has been working out of Galion
recently as a salesman, went
into the ditch. After a passing
motorist had rushed Joan to the
hospital here, Kallil drove back to
Galion and reported the accident
to De. J. Robertson, deputy
sheriff, Kallil to Bucyrus for
investigation.

The accident occurred at 4:30 p.m.

William C. Phillips

Candidate for Re-Election to the Office of

MAYOR of the City of Marion

Mayor Phillips had a business career in the City of Marion for more than thirty years before he entered the public service. In 1925 he was elected to the office of President of the City Council and during a portion of his term, he served not only as President of the Council, but as acting Mayor. He was elected to the office of Mayor of the City, in 1931, by a majority of more than 1000 votes and is now completing his first term as Mayor. He is married, has one son, is a member of the First Presbyterian Church and Sunday School and was one of the organizers of the "open-air" Sunday School conducted during the past summer in Lincoln Park and has been active in its support since its organization.

Mayor Phillips has endeavored to represent all of the people and not any particular class. His relations with labor have always been cordial. In street improvements and other enterprises affecting the welfare and betterment of the City, it has been his aim to show no favoritism to any class or section of the City.

Mr. Phillips' activities in the office of Mayor have been carried on with industry and without display or undue publicity. He is standing squarely on his record, which has been made under most trying conditions, and will welcome the closest investigation and scrutiny of the record he has made.

"I didn't mean to do anything wrong, honest, I didn't," she said.

Burell D. E. Arthur of Wilmington, president of the funeral directors group, testified before the grand jury, the Columbus paper said, that he and Harry Shaw of Columbus met a woman in a hotel room on March 28.

The hill to become funeral directors in Ohio was in a minute at that time. It had been passed by the house. Later it was taken out of the committee, passed by the Senate and signed by Gov. George White on June 27.

Mr. Brown said a board of directors for the association will be organized by October at least three members from each county in the Scioto and Sandusky valleys. The association will begin at once to assemble the information needed by a delegation which will submit the program to federal officials.

Similar flood-control programs for the Muskingum valley and the Ohio river valley near Pittsburgh already have been submitted to the federal government by associations representing communities along these valleys, Mr. Brown said.

Meanwhile the 11-day Wisconsin farm strike marked by one death and a dynamiting, today was at a temporary end as far as the State Farmers Holiday association was concerned, but was being continued by the Wisconsin cooperative milk pool.

Declaring it was not a holiday association or milk pool strike that those sitting in swivel chairs could end, but was a strike of the farmer, Walter M. Singler, pool president, called the farmers to a mass meeting at Madison on Friday. They will be asked to vote on whether to continue or end the non-marketing campaign. Singler said that meanwhile he would order no truce.

SPEAKER ADVOCATES COUNTY HOME RULE

is one of seven in Ohio to witness a decrease in the cost of county government in the decade of 1920 to 1930. It also has the distinction of having the greatest decrease in this period of any county in Ohio, he said.

He referred to records showing that the cost of county and township government in Marion county dropped from \$429,000 in 1920 to \$297,000 in 1930. During this same period he said, the population increased 8.1 per cent, from 42,000 to 45,120, and that the county's wealth increased 8.41 per cent, from \$10,660,000 to \$11,560,000. Although the cost of county government decreased markedly in this decade, the cost of government as a whole, including schools and municipalities, increased three per cent in Marion county from 1920 to 1930, he said.

Mr. Hendley's talk will be followed up by the activities of a county committee of the County Home Rule association, headed by Ralph T. Lewis. Its other members are Howard Brown, Ben T. Wilson and J. H. Waters. The committee will conduct a campaign in behalf of the movement and distribute literature explaining its provisions.

BUSINESS CONTINUES ITS LEAD OVER 1932

Improvement Over Last Year Still Pronounced Despite Recent Decline.

By The Associated Press
CLEVELAND, Nov. 11.—With a guarded optimism, the Fourth district federal reserve bank today picture business as having had some of the substantial gains made during the summer but still well in the van of figures for the year 1932.

"This almost general decline of output at the start of the year when some expansion was expected, saw the mark in the most business areas that it was not regarded as being extraordinary to have a sharp advance as described in the early summer into the fall."

"Part of the production decline in the summer period was for future needs, goods being retained for because of fear of higher prices etc. As a result, it has been extremely evident, to central planning, that purchasing power and absorption of goods increase."

The increased gain in output over the year, to September 30,

Don't Forget Real BAYER Aspirin Starts "Taking Hold" of Pain In Few Minutes

Now comes amazingly quick relief from headaches, rheumatism, neuritis, neuralgia... the fastest safe relief, it is said, yet discovered.

Those results are due to a scientific discovery by which a BAYER Aspirin Tablet begins to dissolve, or disintegrate, in the amazing space of two seconds after touching moisture. And hence to start "taking hold" of pain a few minutes after taking.

The illustration of the glass, here tells the story: A BAYER Tablet starts to disintegrate almost instantly you swallow it. And thus is ready to go to work almost instantly.

When you buy, though, see that you get the *Genuine* BAYER Aspirin. For BAYER Aspirin's quick relief always says "BAYER Aspirin."

BARTHELMES STARS HERE THREE DAYS IN "HEROES FOR SALE"

Richard Barthelmess, the young man who is known to have discovered the secret of youth, is starred in "Heroes for Sale," which will be shown Thursday, Friday and Saturday at the Ohio Barthelmess Theatre, one of the favorites of the Marion public. The first of his three days in the theater will be Saturday.

The script for "Heroes for Sale" was the last over which the late Wilson Mizner, the great theatrical world, drew a picture of the "forgotten man."

Alma McMahon, Luree V. Gordon, Westcott, Robert E. Burton, Churchill and Luree May have supporting roles.

"FIDDLIN' BUCKAROO"

He does undoubtedly will be surprised to see their hero playing a violin, but Maynard performed as a violinist many years on the famous Mississippie river boat, Cotton Blossom. His leading woman is Gloria Shea, a former Ziegfeld girl. Fred Kohler, Frank Rice, Jack Rockwell and the famous white Palomino horse Tarzan support the star.

The Stars Say

For Thursday, Nov. 2

A DAY OF much perplexity, complications and contradictions is read from the combined influence of certain mixed planetary influences. While there may be excellent opportunities in connection with enterprises, combines and agreements, and while there may be a surprising development to the previously associations and interests, yet all may be put under a cloud, as it were, by a stubborn obstacle, postponing the best of possible hereafter. Employment is in great flux.

Those whose birthday is this week on the eve of a career, conflicting prognostications with many benefits, and fortunate circumstances in the private life and with no real promise in connection with large interests, may be through secret agreements, intrigues, set employment jeopardized and their interest of substantial value, may be disappointed. Lineup Juggled as Wesleyan Drills for Bearcat Battle

Gauthier Musters Veteran Material for Crucial Clash

Saturday Came Seen as Turning Point for Bishops in Buckeye Race.

DELAWARE, O., Nov. 1. Promised of Frank Sayers, Columbus veteran tackle, to the first team in Tuesday night's practice of Ohio Wesleyan indicates that Coach George Gauthier may start the star running around the Galion bucky 225-pounder against Miami here Saturday.

Sayers has been playing on the second eleven for the greater part of the season, but with the tough part of the schedule ahead, Gauthier is more than all the veteran material he can find. Sayers replaces Harry Miller, New Haven Conn., sophomore, but the latter will see plenty of service because of his steady playing in the early games.

Gauthier uses George Wertz as quarterback in place of Charles Vandervort. Portmanteau in Tuesday's practice, due to Vandervort's leg injury that is responding to treatment very slowly. White and Trotter were on the halves and Mohr at full.

Defense for Gauthier's double shift was stressed Tuesday in dummy work, but Wednesday the variety will see the famous shift actually portrayed by the fresh and they'll have a chance to show whether or not they can fathom it. The Bishops will be prepared to shoot the works against Cincinnati Saturday, for they're more or less withheld their fire against Heidelberg, Dayton, Wittenberg, and Denison. Against Syracuse they had little chance to get their attack to function since the Orange ran up a comfortable score early in the game.

The Cincinnati game fans here generally agree, will be the turning point of the Bishops' chances this year. If they can beat the Bearcats, the Bishops are an even bet with Miami here next week-end, it is believed.

Marion Gridmen Hope To Square Up Old Account

Bishop High school football has a little more to do with the Gridmen. The Orange and the Bishops are pretty well sold out, and next Saturday will be the time to square accounts. The Red and Blue combination is the real reason for wanting to end things up without delay, the principal one being that Charlie Gough, Marion star halfback and the one who started all the rumpus, George Gauthier may start the star running around the Galion bucky 225-pounder against Miami here Saturday.

Gough pulled a little trick out of the bag in '32 which enabled him to beat Harding and earned him the President's decidedly dubious honor of being listed in the record as "Gridmen champions" of the North Central Ohio League. The memory of Gough's trick is rather chafing at Harding partly in general and to the Harding team in particular.

The question of which team would finish in the league race in the gridiron is, or the outcome of the Marion-Orion game last year. Harding had Galion all through the first half and appeared to be on the way to victory, although rather hard pressed by the Orangemen. Maury Weiss, backed up against his own goal line, booted a long punt to Gough on the Galion 30. Gough, instead of running it back, waited until Harding swept the field and then booted the ball almost back to the Harding goal line. Galion then went about the business of scoring a touch down and won the ball game.

Losing the game in that manner didn't put the Presidents in any too cheerful a frame of mind. Being reminded of it, and they have been plenty in recent days, hasn't made Gough's protege any happier. There have been some very pointed remarks turned loose in the last two days of practice about evening up matters Saturday. As one of the boys puts it, "We're not fooling around either, every time we get the ball it's going to be bad news for Galion. You might let Gough in on that, he'll be glad to know what hit him!"

JESSE HARPER BUSY SEEKING SOLUTION OF IRISH PROBLEMS

Notre Dame Not Disturbed by Shrapnel But Hopes To Regain Top Soon.

By The Associated Press
NOTRE DAME, Nov. 1.—Notre Dame's football team, which has been the best in the country for the past two years, is not disturbed by the shrapnel which has been flying around the gridiron.

However, the team is not yet prepared to meet the Presidents of the football circuit, and the Irish have more to do with the Notre Dame fans.

This has been the case now under the leadership of Coach Frank Rockne, who was in charge of Notre Dame in 1932. Rockne was coached and taught by Rockne in 1932, the team of the year, to Dorcas to Rockne, the winning combination, and the most outstanding achievement of the university's football program, was the winning of the national championship.

Installed Rockne.

Harper was installed as coach during Rockne's absence in 1932.

The history of Rockne as coach, organizer, leader and football extraordinaire, is one which is hard to repeat, especially with the likes of Harper in back in the saddle as athletic director, or Louis Duane, his successor. He will start his work with the present gridironing.

Following Rockne's departure, Rockne not only built up the prestige of fine football team, but he helped the policy of placing the best representative colleges of the country.

When Rockne died, leaving a lot of connections in the air, he toured the country and straightened things out.

Rivals Not Disturbed.

"We are not disturbed by the tide of events at Notre Dame, the athletic head of one of the biggest rivals of the Irish remarked recently. "We have every confidence in Harper. Our relations with Notre Dame have always been on the highest plane. It is not for me to be concerned with the solution of internal problems there."

Notre Dame players are plentiful at Ohio Wesleyan this year, no less than 11 lettermen being available for line positions. Herewith are seven of the veterans. They are Harlan Mills of Warren, who was the iron man of the Bishop team last year with 34 out of a possible 36 quarters; Dave Merrill of Ravenna; Eddie Pape of Elvira, and Robert Forsythe of Cambridge, all guards; ROBERT SMITH OF MARION, and Frank Sayers of Columbus, both tackles, and Jack McLean of Lakewood, center.

Win or lose, Notre Dame would rather stick to its own level than to engage teams not in its "white class," remarked Father John S. O'Hearn, acting president of the university.

"Contrary to a generally held opinion, I think there is less tension and more enjoyment for the boys in playing natural rivals throughout the season."

Win or lose, Notre Dame would rather stick to its own level than to engage teams not in its "white class," remarked Father John S. O'Hearn, acting president of the university.

DAY DULL FOR WALL STREET

Lapses And Fluctuations of Stocks Are Narrow.

The Associated Press, NEW YORK, Nov. 1—Stocks had an extreme dullness and market today. Trading was narrow. After early firmness did not seem disturbed, new up. Bonds improved though they were too far up much indication of a new development of the market little that might implement one way or the other. Wall Street was apparently to hold its sideline.

Some tobaccos again reacted along issues losing around metals, however, maintained upward trend, particularly silver mining class. International Silver rose 1 1/2, U. S. Smelting, Smelting and Cerro Largo gained a couple of cents. Stocks pushed up more again. Such industries as U. S. Case, Allied Chemical, Electric and General, continued their changes toward slight improvement. American Telephone, a dividend meeting soon. Wall Street expects no change in the rate of payment. U. S. preferred, whose directors voted another 50 cent dividend. Accumulations on hand now total \$5 a share. Standard Oil of Indiana firmed, due to declaration of the 30 cent semi-annual disbursement. Rates were quiet.
